Experience: describe here your professional experience in a few words

e.g. I started at Colart X years ago, I was previously working in X industry and my role was X, I studied X subject at University

I started at Colart almost three years ago and previously spent many years working in the Tabletop Industry as both a Product Manager and a Global/Marketing Director. I have a Bachelors of Fine Arts from Montclair State University and a M.B.A. from Monmouth University.

Key skills: write here your key skills and competences with the help of

e.g. #Leadership #English #French #Branding #ConfidenceBuilding #ActiveListenning

#ActiveListening#ConfidenceBuilding#PersonalGrowth#Strategy#Branding#ProjectManagement#English

On a more personal note...

e.g. Recently became a father, speak 3 languages

I am a mother to two quickly growing children, and I am passionate about staying active through exercise, martial arts and yoga. I enjoy reading in my free time (what free time?) and although I studied French for six years I am in sore need of reintroducing myself to the language.

Where you can add value:

e.g. self-development, unlocking the potential, positivity, time management

I am able to add value through positivity, and helping others to expand their capabilities and focus on goals.

Personal experience/training underpinning the added value you can bring to the Mentee

e.g. knowledge of company, personal development, self-awareness, confidence building, creativity

I bring a strong understanding of the company and am interested in aiding other with their personal growth and development.
