Experience: describe here your professional experience in a few words

Have been involved in the development of surface coatings for nearly 40 years and have worked for Colart for nearly 18 years.

Key skills: write here your key skills and competences with the help of

Extensive knowledge of surface coatings chemistry

On a more personal note...

My colleague's would describe me as a people person. I enjoy talking about things that really mean a lot in Life. Music and singing is a big passion of mine.

Where you can add value:

Technical understanding of the business. Good listener and judge of character. Love hearing what people really think.

Personal experience/training underpinning the added value you can bring to the Mentee

18 years with Colart gives me a great knowledge of where we have been as a company I'm able to encourage others and keen to help people discover their potential.
