My Experience:

In terms of education, I have a degree in Law and a Masters in Human Resource Management. I have also completed a post grad in Project Leadership. I have worked for British Airways, Heinz and Christian Salvesen before I joined Colart in 2000. Since joining Colart I have progressed to UK HR Director whereby my day to day role is talking to employees and resolving people issues.

My Key skills:

#Leadership, #ActiveListening, #English, #ResolvingConflict, #EmployeeEngagement, #Communication

On a more personal note...

Have 2 children, both girls (aged 9 and 12), husband is a police officer and love my work life balance!

Where I can add value:

Inspiring positivity, resolving conflict, trusted so not seen as judgemental

Personal experience/training underpinning the added value I can bring to the mentee

Knowledge of company, trusted relationships across all business areas and levels, resolving conflict
