

# Think Tank Ideas: Where are we now?

Dear all,

Since the Think Tank was launched back in early October, we have seen a total of 19 ideas being shared by employees with the rest of the company!

See some statistics here:

Some ideas have already been (partially) implemented, others have been rejected (for now) due to unfeasibility. As for the other ones, see below:

## What's next?

From December on, the ideas will be reviewed on a monthly basis by the GLT. They will answer each idea with: YES, LATER or NO.

- If it's a YES, you will be assigned a GLT sponsor and you can start working together to make your idea a reality. You will be asked to report on progress regularly.
- If it's 'LATER' then your idea will be reviewed at a later date.
- If it's a 'NO' you will receive a justification.

Should you have any question don't hesitate to contact Claudio Todelo or Lucie Verneret. Thanks!
