

Larry's idea Corona virus

Compared with SARS more than ten years ago, my personal feelings of this new virus are totally different. Ten years ago, I just worked and didn't have a family. At that time, it seemed that the virus was quite far away from me, and now I really feel it.

From the beginning of the virus to now, my real feeling is that I have been struggling. For my family, I am a father and a husband. Family is very important to me. My wife works in the government department, and she has been involved in the fight against the virus for a long time, and the responsibility of more families falls on my shoulders. I am responsible for the health of each family member, I need to take care of them more carefully, and I really need more time in the family. But at the same time, I am a member of CTAM, where more families depend on CTAM. Unable to work or complete the order is even worse for CTAM this year. This sense of urgency is real.

These days, we are doing our best to prepare for the recovery of work. Although entangled, but I believe that as long as we unite, love, courage to contribute, the epidemic will prevail, health belongs to us. And the precious time that Tianjin Colart lost will eventually depend on our collective efforts to recover it. Let's unite and work together

这场新冠疫情，对比十几年前的非典，对我个人的感受是完全不同的。十几年前我刚刚工作，还没有家庭，当时似乎感觉疫情离我相当的遥远，而现在的感受确实真真切切的。

从疫情开始到现在，我真实的感受就是一直都在纠结之中。对于家庭来说我是个父亲、也是个丈夫，家庭对我来说至关重要。我的爱人在政府部门工作，很早就投入到这场抗击疫情的战斗中去了，而更多家庭的重任就落在了我的肩上，我要对每个家庭成员的健康负责，我要更加细心的去照顾她们，我也的确需要更多的时间在家庭方面。可是同时我又是天津柯雅的一员，在这里有更多的家庭依靠着天津柯雅。不能工作，不能完成订单，对于今年的天津柯雅更是雪上加霜，这种紧迫感又是实实在在的。所以这些日子里，也在尽全力做好所有复工上的准备工作。虽然纠结，但我相信，只要我们团结，有爱心，勇于奉献，疫情终将战胜，健康属于我们。而天津柯雅失去的宝贵时间也终将依靠我们集体的努力把它追回来。让我们团结起来，共同努力。
