

Instructions how to access Gartner Manager Success Portal

1.Registration

Please register using the link below,

https://login.geteverwise.com/users/sign_up?customer=managersuccess

*If you have an issue registering for the first time and get stuck at the **primary job function question**, you should be able to type in a single letter into the text box and that should reveal a drop-down menu.

Here's a quick clip that shows how it should work: <https://cl.ly/673ee0502967>.

2. "Sign Up". You will be asked to complete a short assessment which helps the Portal to prioritize the most relevant courses for you.

3. After signing up, bookmark <https://managersuccess.geteverwise.com> to have easy access to the Portal.

In case of any questions please contact your HR team
