Watch the video

On Tuesday 28th April we had the third Town Hall Meeting exclusively related to COVID-19. On the panel were Dennis van Schie, our CEO and Gail Pasquier, our CCO.

The Town Hall Meeting was hosted on Microsoft Teams – Live event, and we had almost 200 people joining us. Thank you all for attending!

We received reports that several users from our Chinese offices were unable to join the Live event, Microsoft have publicly announced that users will experience connectivity issues using office 365 in China, not only from the way internet traffic travels in and out of China, but also the increased usage due to the current situation worldwide, please see article [here](#):

If you would like any more information, please get in touch with IT.
