

COVID-19 Town Hall Meeting

Watch the video

On Friday 10th July we had the Town Hall Meeting exclusively related to COVID-19. On the panel were Dennis van Schie, our CEO, and Dominique Murzeau, our General Manager Manufacturing Business Unit.

The Town Hall Meeting was hosted on Microsoft Teams – Live event, and we had almost 200 people joining us. Thank you all for attending!

Remember that there is a Q&A section on the live stream that you can use to make questions to the panel. As well, if you have any suggestions or you would like to hear about a specific topic that concerns you, please, contact Irene Rubio.

We received one question during the last Town Hall Meeting - *Is there an expected date for the new Snazaroo facility to open?* We would be moving into new site end November 2020.

If you couldn't attend the live event you can watch the Town Hall Meeting on the intranet or by clicking on the link on the event invitation.
