

Microsoft Teams training videos available now!

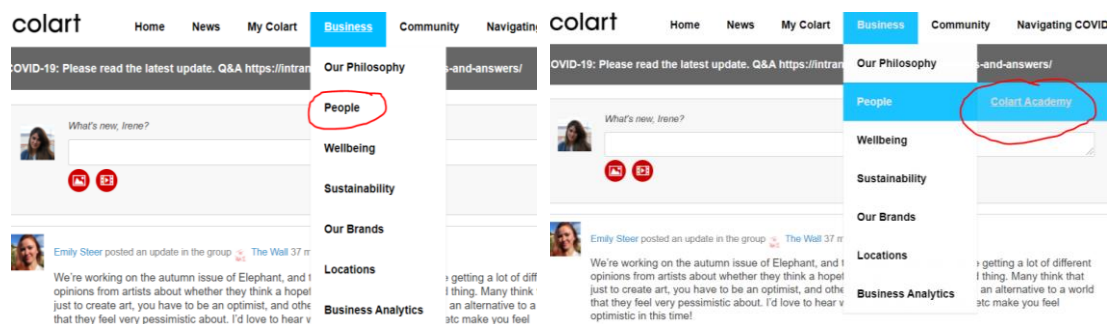

Hi All,

With the decommission of Skype for Business and rolling Microsoft Teams as our official communication and collaboration platform, we would like to present you Colart training materials for Microsoft Teams.

You can learn or refresh your knowledge about most useful features of Microsoft Teams.

It will give you confidence in using it daily and make your work easier and more productive.

You can find all videos on *Colart Academy at Colart Intranet under my skills, under IT module, as show below:*

or using the link below,

HAVE YOU GOT A QUESTION THAT WE'VE NOT COVERED?

Let us know using the 'Tell us what you think' form at the bottom of the course page.

Have a great day!
