

# COVID-19 Town Hall Meeting

## Watch the video

On Friday 14<sup>th</sup> August we had one of our fortnightly Town Hall Meeting on the panel Jane Beeston, our CPO and two special guest, Stuart Yemm, Shopper Marketing Manager and Piet van Nassau, Commercial Director Central Europe.

Jane used the time to talk about the insights from the Futurescope Project and had a very interesting talk with Stuart and Piet about the *new normal*, COVID-19, working from home and several topics very relevant to this time.

The Town Hall Meeting was hosted on Microsoft Teams – Live event, and we had almost 150 people joining us. Thank you all for attending!

Remember that there is a Q&A section on the live stream that you can use to make questions to the panel. As well, if you have any suggestions or you would like to hear about a specific topic that concerns you, please, contact Irene Rubio.

If you couldn't attend the live event you can watch the Town Hall Meeting on the intranet or by clicking on the link on the event invitation.
