

# Skype for Business is being decommissioned

Dear All,

Hope you are all well.

As recently communicated, we are moving from Skype for Business to Microsoft Team which is our official communication and collaboration platform. Skype for Business will be switched off on Monday.

We hope you had a chance to check out our Microsoft Teams training videos and get familiar with the tool.

You can find all videos on [Academy at Colart](https://intranet.colart.com/en/course/how-to-use-microsoft-teams/) under IT module or using the link below, <https://intranet.colart.com/en/course/how-to-use-microsoft-teams/>

Please let us know if you have any questions or concerns.

Thank you.

Kind regards,

**Dan Ruzzak**  
Head of Tech Support

**Agnieszka Taszarek**  
Project Manager
