

# Halloween Face Painting Masterclass

On Tuesday 27th the Snazaroo Team and the Wellbeing Team hosted the first-ever virtual facing painting class.

This year Halloween celebration will look very different, but this shouldn't stop us from celebrating safely at home. More than ever we need fun activities to bring us all together and bring a bit of joy.

Sarah and Adrian gave an introduction and took us through Snazaroo's history.

Emma Munro, a professional face painter then shared some very simple face painting tips and techniques and showed us how to create two spooky looks for Halloween.
