

Town Hall Meeting

Watch the video!

On Friday 30th October, we held the fortnightly Town Hall Meeting, hosted by CEO Dennis van Schie. Guest included Chief Financial Officer, Jonathan Spight.

Dennis started the session, talking about the virtual Lindengruppen management conference they had and the importance of embracing technology, embracing leadership and embracing sustainability. They will share more information with us soon. Changing topic to COVID-19, Dennis reminded us to take care, as the second wave is here, and cases are raising everywhere. Johnathan provided a deep dive analysis into our current financial position. He discussed how we have performed throughout 2020, in particular the impact of Covid-19 and how we are successfully recovered from this. He linked this directly to our short-term positioning and a strong sales outlook. Jonathan then provided a broader overview of our medium and longer term projections.

Hosted on Microsoft Teams – Live event, the Town Hall event had nearly 170 people join in. Thank you all for attending!

Remember that there is a Q&A section on the live stream that you can use to ask live questions to the panel.
