Jane began by talking about three main topics (personal experience, changes in the way we work and Splash Perform) which they were linked to one central point, LEARNING. Jane also pulled together a short film where you can hear what performance and development discussions mean to the rest of the Group Leadership Team, watch the video [here](#).

Harsa, our UK HR Director, took us through a short Colart journey of the Performance Review and explained the benefits of the new system (and if you want to laugh, you can also watch the outtake film from the Splash Perform videos [here](#))

Hosted on Microsoft Teams – Live event, the Town Hall event had nearly 190 people join in. Thank you all for attending!
