

UK HR Team Update

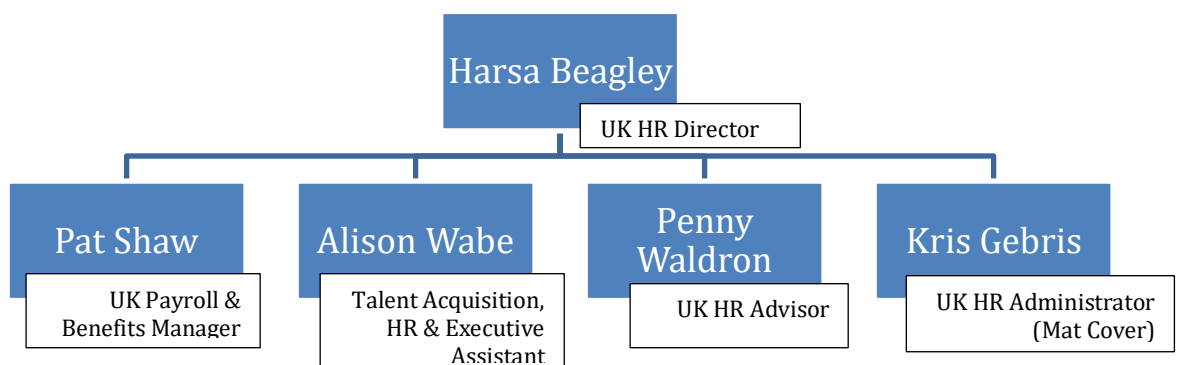

As many of you already know, **Stavroula Tzoumi** is leaving Colart today (Friday 15th January) to start her maternity leave. I would like to thank Stavroula for all her hard work and wish her all the best for the new chapter in her life as a new mum.

Covering Stavroula's maternity leave, we are excited to announce that **Krzysztof (Kris) Gebris** has been appointed as Interim **UK HR Administrator**. Kris is currently studying part-time for an MSc in Occupational and Business Psychology with HR and comes with over 3 years' experience in HR administration at Fast UK Parcels. I am sure many of you will get to e:meet him. Please do extend a warm welcome to him when you do.

Also, to announce, **Alison Wabe** has joined the UK HR Team as **Talent Acquisition, HR & Executive Assistant**. As many of you are aware, Alison has been with Colart for over 25 years and throughout her time her main responsibilities included supporting the GLT. Her transition to the HR team includes recruitment and other general HR activities as well continuing in her key role as one of the H&S Compliance Officers at Head Office. She will also continue to support the GLT as required. Please all wish Alison well in with her new challenges.

As a reminder, **Pat Shaw, UK Payroll and Benefits Manager** is available for all payroll, tax, pensions and other benefits queries. **Penny Waldron, HR Advisor**, continues to help me provide HR support from the Kidderminster site for Lowestoft, Kidderminster and Minehead.

The organisation chart is below for clarity:

Please do contact me if you have any questions.

Best Regards,
Harsa Beagley
UK HR Director
