

Town Hall Meeting. Friday 26th March 2021

On Friday 26th March, we held the fortnightly Town Hall Meeting hosted by CEO Dennis van Schie.

Dennis started by sharing his recent inspiration, viewing that favourite movie that we all love, [Bend It Like Beckham](#). Notably, Dennis called out how stereotypes still exist in our world and linked this to the importance of the Diversity and Inclusion manifesto currently being developed for Colart.

Showcasing the very first issue of Elephant magazine, published some 11+ years ago, became the perfect segue to our guest speaker and magazine editor, Emily Steer.

Emily's presentation gave us insight into the new format for the magazine, including content, design and collaborations, and the ever-important sustainability footprint. Rounding up her presentation, she introduced the team that collaboratively make this happen. You can view the full presentation here: [Elephant Town How Presentation](#)

If you couldn't make live event, check out the video [here](#).

Hosted on Microsoft Teams – Live event, the Town Hall event had over 180 people join in. Thanks to all who were there!

Please don't forget that there is a Q&A section on the live stream that you can use to ask live questions to the panel.

If you have any suggestions or you would like to hear about a specific topic that you think could spark interest then, please contact Irene Rubio or Gareth Meredith in the Communications team.
