

# A New Look Colart Academy

The Colart Academy project team that includes *Irene Rubio, Torkel Tellefsen, Alexis Concorso and Gareth Meredith* and project sponsors *Jane Beeston and Toby Russell*, are very excited to launch the new look Colart Academy.

Watch the launch video to see what the new Colart Academy is all about (*click in the image below*).

## SO WHY USE COLART ACADEMY?

**EXPONEA**

### EXPONEA

Thanks to *Josh Hart* and *Adriano Nannini*, **eLearning** and **digital democratization** has begun!

1 course, 27 lessons.

These sessions bring this new consumer data platform to your desk, your lap, your back garden ... wherever you learn best. Local or global, digital or just learning, the Exponea course is a perfect example of eLearning at Colart. It was built in-house by Colart people, for Colart people.

### MID-YEAR REVIEWS

Mid-Year Reviews are here and, it's time to schedule that meaningful conversation with your manager.

Read the news article on the new enhanced form developed for the 2021 Mid-Year Review by clicking [here](#) .

More importantly, the People team have developed a complete series of courses and lessons for Splash Perform. You can navigate and complete both mid-year and end of year performance reviews. Check out the full course [here](#).

This is another perfect example of an in-house produced eLearning video course, made by Colart people, for Colart people.

## OUR PARTNERSHIP WITH INREHEARSAL

and ... on the subject of mid year reviews ... never is there a better time to think about self-development.

This is where Colart Academy will start to deliver for you. We've partnered with digital learning content provider, [Inrehearsal](#) to bring a series of eLearning video courses that will engage and resonate with you - offering bite-sized content across an array of powerful and thought-provoking topics.

Importantly, content aligns with Colart ways of working, our culture and what it means to feel like a family and act as a high performing team.
