

Mid-year review is now live!

Remember the window is open from **1st July to end September**.

Please ensure meetings are set up and there a discussion around objectives and performance during the last 6 months by going to the 'My Development' tab on Splash and selecting 'Performance Overview'.

As a reminder, there is a short video on [Colart Academy](#) on how to use the enhanced form. Watch [here](#) English, French, or Chinese language video versions.

If you have any questions regarding the mid-year review of future functionality of Splash, please talk to your line manager or local HR business partner.

Regards
