

Employee Engagement Survey The Results Are Out

Our Employee Engagement Survey was completed by 70% of our Colart family this year, between June and August.

The questions focused on five core areas and included;

- Our employee culture,
- Our leadership culture,
- Our performance and service culture,
- Our commitment to sustainability,
- Our commitment to diversity, equity and inclusion.

Keeping the survey anonymous and confidential allowed your comments to be open, honest, and transparent. Importantly, this means that we can review, identify, discuss, and take action, ensuring the future continues to align with our People vision to "inspire every person in Colart".

Business unit results will be communicated through your Business Unit Leader shortly.

A big THANK-YOU to those who contributed to this year's survey. Your feedback is always valued and appreciated.
